Food Protection Program 2018 Food Handler Course Certification Schedule

LEVEL ONE CERTIFICATION IN FOOD PROTECTION

Licking County Health Department is an approved provider in Ohio to administer this level one certification in food protection course. Successfully completing this course will provide the participant a Level One Certification in Food Protection. This course entails food handler training, and covers the basic principles of food safety. The Ohio Uniform Food Safety Code states that all food facilities must have one person in charge per shift who has obtained a Level One Certification in Food Protection Certificate.
