

Our Core Values

Our values guide the way we approach our work, make decisions, and interact with each other, our clients and our partners.

Credible - Trusted in what we do

Through a commitment to excellence, we are a trusted source of expert knowledge and high quality service.

Innovative - Leader in public health

We continually seek ways to improve our service delivery through data analysis, planning, continuous improvement, and creative thinking.

Responsive - Action oriented

We are proactive, anticipating change and taking actions that make a difference and achieve positive results. We plan so that we are prepared to respond to public health challenges as they occur.

Collaborative - Building strength through partnerships

We engage our public health system partners to better respond to shared challenges and goals. We strive to break down barriers, eliminate silos, and reduce duplication to enhance the public health system as a whole.

Integrity - Acting honestly and ethically

We consistently act in the best interests of our citizens, with impartiality and transparency. We live by the highest standards of integrity in our professional and interpersonal relationships. We act honestly and ethically, delivering on our commitments.

Respectful - Valuing others

We welcome and respect a broad range of ideas and perspectives. We build trust through our commitment to open communications, valuing everyone's unique background and contributions, and celebrating and sharing successes. We achieve greater impact by leveraging the diversity of our team, clients and partners.
