

Guidance for how to obtain a Household Sewage Treatment System (HSTS) Permit:

Licking County Health Department
675 Price Road
Newark, OH 43055
(740) 349-6475

- ✓ Obtain an assigned address from the Licking County Engineer's office.
 - 740-670-5280 www.lcounty.com

- ✓ Have a soil evaluation conducted on your lot by a certified soil evaluator.
 - List of soil evaluators: www.Ohiopedologist.org or www.Lickingcohealth.org
 - For list by email, fax, or mail, contact LCHD at: Environmental@lickingcohealth.org or 740-349-6475.

- ✓ Forward the soil evaluation report with the number of proposed bedrooms for your home to LCHD for review to determine the potential types and size of HSTS that may be installed on your lot. Forward the report to:
 - Environmental@lickingcohealth.org or fax 740-349-6935
 - By mail: LCHD, Environmental 675 Price Road, Newark Ohio 43055

- ✓ LCHD will return to you a Leaching Design Worksheet, with HSTS options and information based on the soil report you submitted.

- ✓ Provide the Leaching Design Worksheet to your septic system installer, designer, or engineer to use as guidance to design your HSTS.
 - List of registered HSTS installers: www.lickingcohealth.org
 - For list by email, fax, or mail, contact LCHD at: Environmental@lickingcohealth.org or 740-349-6475

- ✓ Submit your HSTS design plan to the LCHD for review and approval. Forward the report to:
 - Environmental@lickingcohealth.org or fax 740-349-6935
 - By mail: LCHD, Environmental 675 Price Road, Newark Ohio 43055

- ✓ Complete an HSTS application and include the appropriate fee. Payment of fee can be made by credit card, cash or check. Credit card payment will also be accepted by phone.
