

# CAR SEAT CHRONICLES

CAR SEAT SAFETY. WINTER EDITION

## *KEEP YOUR VIEW CLEAR:*

Mornings and getting everyone out the door can be hectic. Still make sure you leave enough time to clear all your car windows for a safe drive.

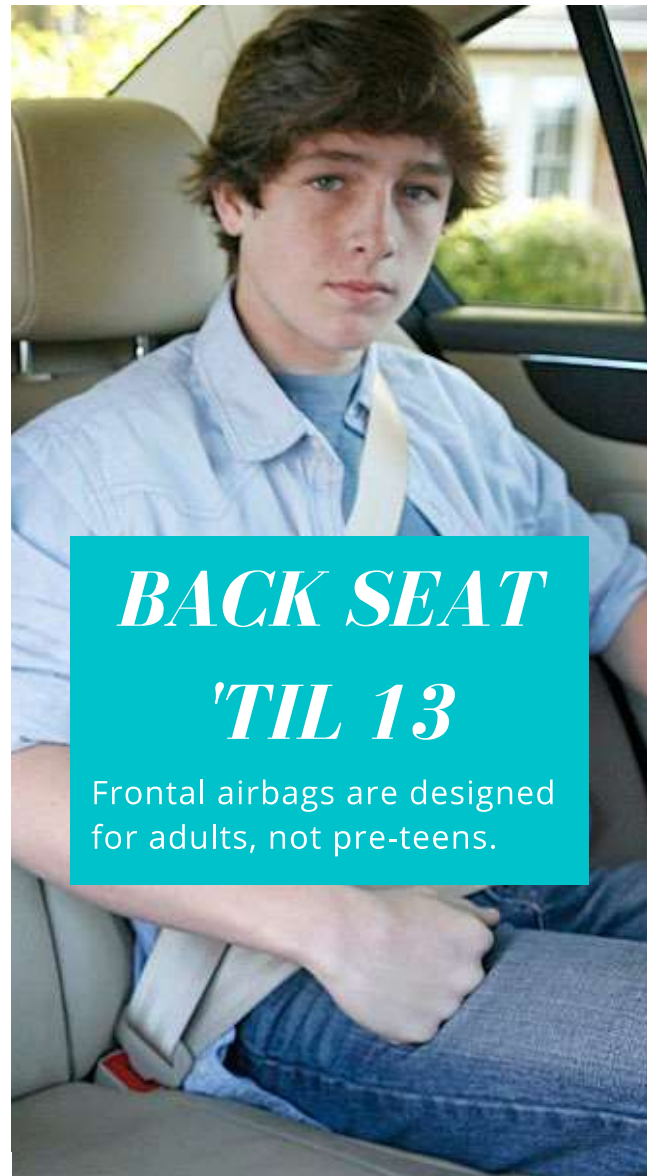

## *WINTER WEATHER*

It's easy to want to bundle your little one up to keep them warm. Be careful **not** to put your kids in their car seats with bulky clothes or coats (like the picture). This makes the harness loose and a loose harness increases the likelihood of injury.

## **Have Questions?**

We have trained car seat technicians who can help install your seat securely and answer any car seat questions you have.

Need a car seat? LCHD has free car seats available for eligible families. Call (740) 349-6535

## *BACK SEAT 'TIL 13*

Frontal airbags are designed for adults, not pre-teens.
